

NEW AMBIENT PICKING TROLLEYS

The introduction of the new ambient picking trolleys has caused a great deal of concern for GMB members.

GMB Health and Safety reps have raised these issues to ASDA and several modifications have been made to the trolleys to improve their safety. We continue to work with ASDA to ensure the Safety of our members.

GMB highlighted to ASDA that our members had not received the full training relating to the use of these trolleys. ASDA have accepted there has been a training shortfall and are working to ensure all colleagues are correctly trained to use this equipment safely prior to use.

The main concerns raised by GMB members regarding these trolleys have been around Visibility, Manoeuvrability, and the Control of the Trolley.

GMB need your feedback upon these new trolleys so we can work with ASDA to ensure this equipment is safe to use.

Could you complete the following online feedback form to give GMB your views or concerns regarding the New Ambient Trolley?
