GMB YOUR VOICE IN ASDA

MARCH 2024

SACKED FOR EATING A BROKEN COOKIE

Dear members,

GMB London Region have for many years been asking ASDA this simple question: -

“Why is it that within ASDA a colleague is sacked for eating a piece of broken cookie which is to be put in the bin however ASDA Management who cause or allow fire safety breaches (Which are criminal offences) go without so much as a file note?”

So far **NO ONE WITHIN ASDA** has been able to answer this question.

On a recent meeting with ASDA house to discuss the pending strike action for ASDA Wisbech this question was again asked.

3 experienced senior managers within the business remained mute and gave no response.

GMB London Region and its members need an answer.

ASDA, which is more serious?

A Eating A broken cookie

B ASDA Management who cause or allow up to 4,000 Serious breaches of H&S or Fire Safety across 85 ASDA Stores over a 2.5 year period?

EVERY SERIOUS H&S and FIRE SAFETY BREACH HAS BEEN EMAILED TO AN ASDA GSM OR SENIOR DIRECTOR WITH PHOTOGRAPHIC EVIDENCE!!
